To Whomsoever It May Concern,

It gives me great pleasure to speak about Mr Vaibhav Agarwal who worked with us as a Software Engineering Intern from 26 July'21 - 24 Sept'21. In my capacity as Associate Product Manager of Gupshup, my observations of Mr Vaibhav comes through my close interactions with him during the team meetings.

Mr. Vaibhav was given the responsibility to develop NLP-Based Chatbots (Banking & E-commerce domains) we had in our pipeline. He showed good command over:- Rasa coding, Python3 coding, MySQL coding (Schema, Tables etc.) & integration with the chatbot backend.

I would strongly recommend Mr. Vaibhav for software development roles.

Thank you,
